Station Udipi, *Dated the* 3rd Dec., 1939.

From (Name) Sri B. Suryanarayana Rao, M.A.

(Designation) Commissioner, Udipi Municipality.

To The Secretary to the Government of Madras,
~~Legislative~~ Education & Public Health Department,
Fort St. George, Madras.

Through The Chairman, Municipal Council, Udipi, and
The Director of Town Planning, Madras.

Sir,

This Municipality was inaugurated on 1st November 1935. The Municipal Council is required under the Town Planning Act to prepare and submit for sanction of Government a general town planning scheme before 1st November, 1939. The general scheme in its broad outline recommended by the Town Planning Assistant in his D.T.P.No.530/36 dated 25-6-36 was considered by the Town Planning Committee in its resolution No.1 dated 24-8-39. The Committee resolved that a detailed report and scheme may be called for from the Town Planning Overseer to be appointed. The Committee in its resolution No.2 dated 24-8-39 further considered proposals for the following detailed schemes.

1. Municipal Travellers Bungalow area scheme.

2. Mudanidambur ward area by laying out the proposed Mudanidambur Road in continuation of the Angar Chetty lane so as to join the Pentland Bungalow Road. The

The
latter scheme has been provisionally adopted by the Committee and its detailed preparation has been directed. g Government were also approached for a loan of Rs.5,000/- for item No2 above. But Government declined to entertain the application of the Council for a loan owing to war conditions.

2. The Council sanctioned the appointment of a Town Planning Overseer on Rs.40 per mensem for the preparation of the schemes for town planning. No applications for appointment were received in spite of the vacancy having been notified. Consequently the Council has offered a higher pay viz. Rs.50 per mensem and the sanction of Government has been applied for for payment of a higher salary.

3. I may in this connection bring to the kind notice of Government that the town is not surveyed according to Town Survey Rules. The existing revenue survey records are stated to be not sufficient in detail and accurate enough. This is another impediment in the preparation of the maps as per prescribed procedures. The Town survey has been since sanctioned by the Council and the question of defraying the cost of survey is engaging the active consideration of the council.

4. Lastly the Municipality being a small one, its finances are slender. It may not be possible for the Council for some years to come to finance schemes like the Town Planning schemes from its ordinary resources. However, the council has already taken steps to constitute a town planning fund and as a first step towards that aim it has transferred from its opening balance a sum of Rs.1,400 to the Town Planning Account.

5. In view of these practical difficulties like the want of a technical hand for appointment as town planning Overseer, the town being not surveyed according to town survey rules and for want of funds, the Council was not able to prepare and publish the Town Planning Scheme within the time fixed by statute. The Council has, therefore, resolved to apply for extension of time for the purpose up to 31-3-1941--vide Council resolution No.9 dated 18-10-39--copy enclosed. I am to request, in the circumstances, that the Government be pk pleased to extend the time up to 31-3-41 as resolved by the Council.

Your obedient servant,

Commissioner.

Forwarded

Chairman 3.12.39

Enclosure.

Extract from the proceedings of the meeting of the Municipal Council, held on 18-10-39.
